Kenneth A. Brickman, Executive Vice President
Iowa Lottery
2323 Grand Avenue
Des Moines, IA 50312

Dear Mr. Brickman:

Thank you for your October 15, 2007 letter of response to my October 5 notice of investigation.

I have reviewed your letter and your concerns have been noted. I believe our questions are valid. And I assure you that we will have opportunities to consult and dialog. I want to also assure you that our investigation will be impartial and thorough, and we will duly and fairly consider all the information we gather. I have full confidence that Assistant Ombudsman Jeff Burnham's investigation will be conducted in this manner, and he will remain as the assigned investigator. Your letter states that you will respond to our questions within the time frame I had requested, which was 30 days from your receipt of my October 5 letter. Please advise if I have misunderstood your adherence to that time frame, or if you require additional time to respond.

Your letter also says the Iowa Lottery previously took steps to ensure that a problem involving the Kansas lottery could not impact the Iowa Lottery; and also determined that a problem involving the United Kingdom lottery did not exist in Iowa. We would like to review that information as part of our investigation. Please provide copies of the Iowa Lottery's communications regarding those efforts, including but not limited to e-mails, memos, and reports.

Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "William P. Angrick II".
